Lunch Bunch

Dear Parents,

Rainbow School is excited to offer Lunch Bunch Monday - Friday, from noon until two o'clock. It will start the first day after Labor Day. Doors will open for pick-up, through the carpool line, at 1:50. Each day will be consisted of either math, science, hands on games, art, music and movement, outside play, reading, and centers.

In order to comply with state teacher/student ratio regulations, children that attend Lunch Bunch must be potty trained. This allows for a teacher to stay in a classroom, without having to leave for an extended period of time that may be required for a child with a soiled diaper. If your child is not quite potty trained, we can give them time to voice their needs and start them at a later date. So PLEASE work with them over the summer if you plan to use lunch bunch.

Each child is required to provide his/her own lunch, which will have to meet state regulations. These regulations include....1% or skim milk, a protein, bread, and 2 vegetables, 2 fruits, or 1 fruit and 1 vegetable. The state does not allow for juice to be given, so please refrain from packing that. There will be water available for those who choose not to drink their milk. When sending in milk, please be sure it is in a leak proof container so that it doesn't spill and ruin the rest of your child's lunch.

A daily quiet time is also a state regulation. We will provide a rest mat for your child.

Cost per session for the 2017/2018 school year is as follow:

5days/week.....$40 per week, or $160 per month
1-4 days/week with advance notice.....$10/day
Drop Ins (day of and contingent on space available).......$12/day

Please write a separate check/cash for this service

For staff scheduling purposes, it is important that we have at least a week's notice prior to lunch bunch. I will have a registration form for this service on the day of orientation. Questions may be answered then as well. Lunch Bunch is a fun addition to our typical day at school and the children love it! We hope you will take advantage of this service!
